Take Control of Your Debit Card

Control when and where your cards can be used based on location, merchant type, and spend amounts.

Turn your card on/off if you misplaced it or had your card stolen.

Get more information about your card transactions, such as logos, maps, street photos and contact information.

Get rich data about your card purchases, with Spend Insights. Sort spend insights by merchant category, location, and monthly trends.

Traveling outside of your normal area? You can set your own travel plans within the app to reduce the chances of unwanted transaction denials.

Forgot your card? No problem. With just a few taps, you can add your card to your mobile wallet and pay with your smart phone.
